

STUDENT RIGHT TO KNOW (revised June 30, 2016)

Mech Tech is an institution of higher education and technical whose mission is to train and retrain young people and adults of both sexes with the necessary skills in the theory and practice of the professions of metals, electricity, mechanics, refrigeration and electronics; so that they can compete for job opportunities that arise in these or kept the same.

It is important that at the time of choosing what to study in the vocational field, you make the right decision. Taking this into consideration, we have prepared a report notifying the percentage of: Retention, Financial Aid and Employability programs for Technical Grades and Associate Degrees

Academic Program	Cohort IPEDS Fall 2012		Total Cohort Fall 2012	Ethnic Group	Graduates to 150% of the time		Total Graduates	Total Exclusion		% F Grad	% M Grad	%Grad Program
