

**STUDENT RIGHT TO KNOW (revised June 2025)**

Mech Tech is an institution of higher education and technical training whose mission is to train and re-train youths and adults with the necessary practical and theoretical competencies in professions that will prepare them to compete for job employment opportunities that can emerge in these fields and maintain them. Through our innovative curricula, students will be formed integrally with the capacity to critically address the technological, social, ethical, cultural and economic challenges of a fast-growing and changing society not only in the human aspect but also intellectually.

It is important that at the time of choosing what to study in the vocational field, you make the right decision. Taking this into consideration, we have prepared a report notifying the percentage of: Retention, Financial Aid and Employability programs for Technical Grades and Associate Degrees.

**Methodology Clarification**

"Rates were calculated in accordance with IPEDS guidelines and the U.S. Department of Education, using an institutional cohort of first-time, full-time students enrolled with the intent to earn a degree or certificate."

Academic Program	Cohort IPEDS Fall 2022		Total Cohort Fall 2022	Ethnic Group	Graduate to 150% of the time		Total Graduates	Total Exclusions		% F Grad	% M Grad	% Grad Program
